

Neighborhood Notice: Upcoming 24-Hour Street Closures

Neighborhood Notice: Upcoming 24-Hour Street Closures

Road maintenance will require temporary street closures in our neighborhood. The roads are owned by Travis County, and the work is being performed at the County's request. **This is not a Lake Pointe MUD project.** This notice is being shared for informational purposes only.

Residents will receive a flyer at their residence with their scheduled street closure information.

Your street will be closed to resident vehicle traffic for a full 24 hours. If you need to use your vehicle during that time, move it outside the closure area **before your street closes.** Vehicles left at your home cannot be driven out until the street reopens.

To receive updates about **weather delays or rescheduling**, text **"newstreet" to 833-359-7176**. These text alerts supplement the closure information provided in your flyer.

Visit the [Travis County Road Work Information page](#) for project details and street closure maps. Please plan ahead.
