

Delayed opening of Boat and Swim Docks

Dear Lake Pointe Residents,

Due to circumstances beyond our control, the new Lake Pointe MUD boat and swim docks will not be able to open until after November 30, 2026.

The City of Austin and LCRA have [announced](#) a planned drawdown of Lake Austin from October 12 through November 30, during which the lake will be lowered approximately 10 feet. Given the timing and magnitude of the drawdown, we do not expect to be able to complete the remaining steps necessary to open the docks during this period.

Following the drawdown, we will work to complete the remaining requirements and open the docks as soon as conditions and required approvals allow.

Thank you for your patience.
